

2013 Sabre 48 Salon Express

Boat Type: Downeast

Address: Mamaroneck, NY, US

Price: \$840,000

OVERVIEW

If you are looking for a special Sabre 48...you MUST look hard at Savannah. This 48 had a very thoughtful first owner who made many customizations that when the final versions came out Sabre adopted many as model year updates over the next few years. Some examples include:

- Custom dual Stidd Seat arrangement on a cabinet (now standard on all 2016 and newer models)
 - Lowered and upholstered mates seat lounge back (standard in 2014)
 - Cherry valances to help conceal the blinds in the retracted position
 - And outlets, lights plumbing and other AC modifications and updates.
-
- Other highlights include the following:
 - SureShade retractable cockpit cover
 - Complete Garmin electronics package
 - FLIR Thermal Imaging Camera
 - Full crew quarters with head and combo W/D

- Wine refrigerator in cabinet
- Electric sunroof with sunscreen and shade
- Teak decking
- Inverter
- Freedom Lift
- Even a cold plate in the aft facing cockpit seat creating extra refrigeration.
- The boat has been beautifully maintained and cared for cosmetically and mechanically. Savannah will not disappoint!

Manufacturer Provided Description

As an early adopter of pod drive systems, Sabre Yachts has a clear understanding of how these revolutionary drives can best be used to increase efficiency, maximize ease of operation and owner confidence. The all-new Sabre 48 Salon Express is our fifth pod driven model and she takes full advantage of this technology in both her performance and in her interior accommodation plan.

The 48's traditional exterior profile belies the contemporary performances of her vee-hull. She cruises at 27 knots and at wide open throttle she'll attain more than 32 knots. With the Zeus pod drive system, turns at speed are as exciting as they are in a fine sports car but perhaps even more exhilarating is the quiet that one experiences at cruise speeds. Less than 75 DbA makes her one of the quietest motoryachts available today. The joystick and Skyhook operations give every Captain the confidence to dock her in the most difficult of circumstances.

Her raised cockpit sole brings together the social aspects of the cockpit and main salon and the aft end of the house opens up fully to connect the spaces. Her main salon offers ample seating surfaces for entertaining or simply relaxing to read or enjoy the standard entertainment systems. While underway the raised settee to port of the Stidd helm chair is a perfect place for the crew to enjoy the ride. And when docking, a standard side deck door serves her helmsman and crew, well. The two cabin, two head layout is supplemented by a mechanical space forward of the engine room. Optionally, this space can be laid out as a crew quarters with berth and head unit.
